# WE ARE UNITED

# YOU CHANGED MY LIFE

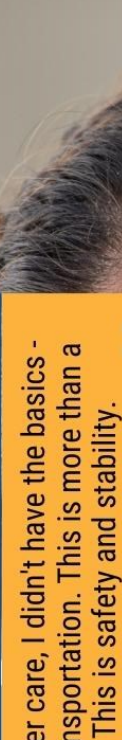

“ Growing up in foster care, I didn't have the basics - food, a home, transportation. This is more than a home for me. This is safety and stability. ”

- DION STUMP, HABITAT FOR HUMANITY HOMEOWNER

“ In my lows, there was hopelessness, helplessness and homelessness. Drugs and jail. To see me now is a complete 180. I have purpose. ”

- JEREMY DICKMAN, VETERANS COURT GRADUATE

“ Kairos provided me with a caring home. They helped me get a job, taught me how to take care of my money and they showed me the value of giving back. ”

- BRANDON HOGAN, KAIROS YOUTH SERVICES RESIDENT
